

Bulletin Board and Information Distribution

Policy #11

The Jefferson County Library District helps the community share information by providing bulletin boards and designated areas for posting and distribution. Outside groups may use these spaces to promote events and services of interest to the District's customers. These areas are considered limited public forums and thus are open to any legal content or viewpoint, with restrictions noted in this policy.

Bulletin board space is available within the Library to post materials from outside organizations. Bulletin board space is provided for dated materials such as posters or signs of interest.

Limitations

Posting or distributing materials from District facilities does not indicate District endorsement of the ideas, issues, organizations, or events promoted by those materials. Because space is limited, District staff reserve the right to remove materials larger than 11" by 17," have been up for more than two months, are not applicable, or generally prevent fair use of space. Materials that do not comply with this policy will also be removed. The District assumes no responsibility for the preservation or protection of materials. Materials will not be returned. The District does not allow posting materials that are obscene, libelous, threatening, defamatory, harassing, violate intellectual property laws, or advocate illegal activity, as defined by relevant laws.
